Join the FSB on a Trip Out Into The Wash...

Saturday 16th June 2012, departing 2.15pm
Sailing from the Sluice Bridge at Boston

Members of the FSB Wash Branch joining the Boston Belle at the Sluice Bridge at Boston.

You are warmly invited...

To join us on another family trip out into the Wash on the Boston Belle.

This trip has sold out every year we've arranged it and so we are giving all FSB Lincolnshire Region members plenty of advance warning.

Leaving the Sluice Bridge at 2.15pm, the trip will sail past Boston Docks and the Pilgrim Fathers Memorial and out into The Wash itself.

We then journey up the River Welland, towards Fosdyke Yacht Haven (usually a splendid opportunity to watch seal

colonies as we pass) and on to our turning point before Fosdyke Bridge - a haven for birds and other wildlife.

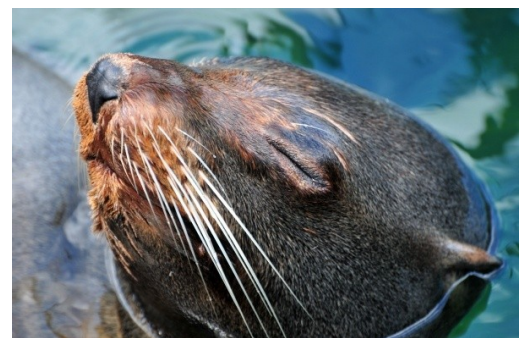

The Boston Belle returns to the Sluice Bridge at around 7pm with the chance of sailing back in a glorious Summer evening.

A great trip out for all the family, non FSB guests of members very welcome.

The Boston Belle is fully licensed with a large covered lounge, seating and a 'loo' and the trip includes a delicious light buffet.

Great value at just **£15** per person (payable in advance).
