This excellent location, just outside Grantham, in the beautiful setting of the De Vere Belton Woods Hotel, gives us the opportunity to have a whole range of local companies exhibiting their businesses.

At the FSB, we believe that anybody who has a good idea and takes the risk to put it into practice is an Entrepreneur.

That's why we've launched our Real-Life Entrepreneur campaign to promote businesses like you—the businesses that sew our economy together.

As well as the exhibition area, we will have a separate theatre seating area where we are delighted to welcome some outstanding speakers.

This is your chance to promote your business to other like minded businesses in this area.

This FSB Real-Life Entrepreneurs Networking Fayre is **FREE** to attend and it is available to all business
