

claim up to

**£1,000**

to cut your  
travel costs

sustainable **routes**

Your route to a brighter future

## So, what are the benefits?

- Clear ideas to reduce overhead costs, in particular travel costs
- A match funded grant of up to £1,000 towards reducing your business travel costs. For example, the grant can be used towards:
  - Video conferencing equipment
  - Connecting to office servers from home
  - Laptops to support home working
  - Converting company vehicles to LPG
  - Bike racks or shower facilities that enable your staff to cycle to appointments
- A **FREE** staff travel survey from local transport teams
- A reduction in your carbon emissions

## Eligibility

You must be a small to medium size enterprise with no more than 250 employees. To qualify, your business must be based in Milton Keynes or the Thames Valley.
