## FSB ENTERPRISE DAY

### STUDENT EVALUATION SHEET

When organising an activity-based day such as this, it is important to get feedback to see how it can be improved in the future.

Could you please spare us five minutes to fill in this simple evaluation sheet and return to:  
**Jeanette Thurtle, PO Box 144, Thetford IP24 1YA** or [jeanette.thurtle@fsb.org.uk](mailto:jeanette.thurtle@fsb.org.uk)

Do you think that today has helped you to consider small businesses and what they do in your local community?

What do you think you have benefited from working in a group today?

What was your favourite activity and why?

What part of the day did you enjoy least and why?

Do you have any suggestions as to how we can improve this activity in the future?
