John J. Winchester, MILCM  
Town Clerk

## TRADERS MEETING THURS 24TH NOVEMBER 2011 AT THE STRAND CENTRE STARTING AT 7.00pm (used to be at the congregational church)

Dear Traders,

Due to the fact that I have been approached by several of you in the town who are concerned about the lack of shoppers coming to Dawlish, and about the future of our shops, also your concerns about parking fees, rates to pay etc., and still, with the quieter months to come, I have spoken to Teignbridge District Council, Devon County Council, and also the Chamber of Trade.

I am pleased to say that a meeting has been arranged and the above mentioned have agreed to send representatives from different departments to attend this meeting.

Here is a list of people we hope will be attending,

### Teignbridge District Council

Stuart Barker – Deputy Leader  
Tony Watson – Service Lead, Economy & Regeneration  
Allie Clark – Economic & Regeneration Officer  
Sue Edwards – Environment Standards Officer (Car Parking)  
Jane Major – Senior Revenue Officer  
Ali Spargo – Principle Revenue Officer

### Devon County Council

John Clatworthy – Deputy Leader Devon County Council  
Gary Powell – Traffic Management Team Manager

Teignbridge District Council are very keen to support Dawlish, and I hope as many of you as possible will make every effort to attend so that we can find a way forward to increase trade all year round.

This meeting is for you to voice your concerns as a group of traders instead of individually. I think it would have more impact.

This meeting has been arranged for Thursday 24th November and I would like to see as many traders there as possible. We cannot move forward without all your support.

I look forward to seeing you there.

Best Wishes
