

BRANCH BOUNDARIES & LOCAL AUTHORITY CONTACTS –

NB - Figures as at June 08

West Cornwall Branch has over 2000 members and authorities covered are Penwith, Kerrier and part of Carrick. This is not exact but if you drew a line between Porthtowan and Devoran that would be roughly the boundary between Mid and West branches.

West Chair (Acting) – Barbara Ellenbroek - 07969 841466

Mid Cornwall Branch has around 2470 members and authorities covered are Carrick, Restormel and part of North Cornwall. Again not exact but if you drew a line from Polkerris to Crackington Haven then that would be the boundary between Mid and East branches.

Mid Chair – Mark Stockwood - 01840 213908

East Cornwall Branch has around 1350 members and authorities covered are Caradon and North Cornwall – East Cornwall branches other boundary is the Tamar River which is the divide between Devon & Cornwall.

East Chair – Sue Cave – 01503 220222

Our boundaries are laid out by postcode. So if you had a postcode map and followed the lines I describe above but as the postcode ends, then you would have a pretty precise picture.
