

claim up to

£1,000

to cut your
travel costs

sustainable **routes**

Your route to a brighter future

So, what are the benefits?

- Clear ideas to reduce overhead costs, in particular travel costs
- Up to £1,000 towards reducing your business travel costs. For example, the grant can be used towards:
 - Video conferencing equipment
 - Connecting to office servers from home
 - Laptops to support home working
 - Converting company vehicles to LPG
 - Bike racks or shower facilities that enable your staff to cycle to appointments
- A reduction in your carbon emissions

Eligibility

You must be a small to medium size enterprise (excluding franchises) employing fewer than 250 employees, which has been trading for at least two years with an annual turnover of at least £75,000. Your business must be based in the South East of England - Berkshire, Buckinghamshire and Milton Keynes, Hampshire and Isle of Wight, Kent and Medway, Oxfordshire, Surrey or Sussex.
