

Graduate Internship Programme 2010

Financial assistance on offer to organisations recruiting graduates for a minimum of 3 months.

Make a difference to your business by taking part in an innovative new project offered through Oxford Brookes University Careers & Employment Service to employers in Oxfordshire and the surrounding area. The university has secured government funding aimed at boosting graduate recruitment and is offering payment of £1000 to each organisation employing a Brookes graduate in a paid internship role.

The following conditions apply:

- The role must be for a minimum of three months, there is no maximum limit;
- The role must be paid and offer a minimum wage of £7ph or above.

Internships in the following areas are of particular interest however we encourage you to discuss any potential ideas you may have with us:

- Low carbon;
- Digital industry;
- Life sciences and pharmaceuticals;
- Advanced manufacturing;
- Professional and financial services;
- Engineering construction;
- Ageing society;
- Other (Small Businesses Only).
